COMMERCIAL PROPOSAL

FOR ARETE GROUP . RIVERSCAPE, TUKWADA, VAPI

A 90 day relaunch for Riverscape.

A 90 day sales mandate for Riverscape: a relaunch offer for 20 villas, block sales pitched to companies and investors, and six Open Weekends that bring buyers to the site. A fixed fee to run it, and a success fee only on villas sold. By the team behind work for Lodha, Sobha and Rustomjee.

20 villas

Relaunched at a launch price, valid for 45 days

6 weekends

Open Weekends that close sales at the site

20 companies

The largest employers in Vapi, Daman and Silvassa, pitched directly

1%

Success fee, paid only on villas sold

If we had to tell you in three lines, this is what we are doing.

01

THE OFFER

We relaunch 20 villas with an offer that answers the flood: a 45-day launch price, flood insurance paid by Arete for 5 years, and only 10% at booking.

02

THE BUYERS

We pitch them in blocks: villas to the largest companies in Vapi, Daman and Silvassa for their directors, and lots of 5 villas to investors through their wealth managers.

03

THE CLOSE

We bring buyers to the site every second weekend, where Arete's sales head can take a booking on the spot: a fixed fee to run it, and 1% only on villas sold.

Three moves, in this order.

Arete has run ads, email and channel partners. More of the same will not move a project after the July flood. We change the offer, pitch villas in blocks, and bring every buyer to the site.

MOVE 1 . WEEKS 1 TO 2

Change the offer

- Relaunch 20 villas only, with the post-flood redesign as the news.
- A launch price for those 20, valid for 45 days, then it rises.
- Flood cover in the agreement: Arete pays each villa's home insurance, flood included, for 5 years, and repairs flood damage to common areas.
- A 10:90 plan: 10% at booking, 90% at possession.

The buyer's fear and the first cheque both shrink, and the deadline gives a reason to act now.

MOVE 2 . WEEKS 3 TO 12

Pitch in blocks

- Corporate deals: 3 to 10 villas per company as director residences and guest houses, pitched to the 20 largest employers in Vapi, Daman and Silvassa.
- Investor lots of 5 villas through wealth managers, with a corporate lease signed now that starts at possession.
- Advisers earn 3 to 4%, above channel partner rates, paid through a GujRERA-registered entity.

One company or investor that signs can take several villas at once.

MOVE 3 . WEEKS 3 TO 12

Meet at the site

- Six Riverscape Open Weekends: cars from Mumbai and Surat, lunch at the experience centre, the engineer walking the new levels.
- The launch price is honoured only for bookings made that weekend, cheque on the spot.
- Every adviser and corporate contact brings families to one weekend.

At ₹2.5 to 4 Cr, the sale happens at the site, with the family there and a deadline in front of them.
